Installation of a duplicate pumping unit to the water Supply works in Sheregan municipality

General and Revenue Secretariat — File No — of 1941-42 — [App F III½-2

Serial No

From The D.C Sebastopol No

No A6-3438/4142 Dt the 5.42

Solicits orders on the proposal of the Sanitary Engineer to install a duplicate pumping unit at the water Supply works in Sheregan municipality at an estimated Cost of Rs 1828, the same being met by Govt and the local Mc Council in equal proportions.

'U'

1) The municipal quota of the Cost amounting to Rs 914 is proposed to be met out of the closing balance of the Mcty for the Current year which is Rs 2238-8 reported by the Acct Cl on 31/1441

'T'

2) Sanction is requested to a Grant of Rs 914 from out of the W.S grant for the current year towards the Govt share of the Cost

3) The financial condition of the Mcty appears to be satisfactory as seen from the D.C's review on the budget estimate of the Mcty for the current year The amount asked for as Govt grant is small and could be made available from the reserve of about Rs 15,000 under the W.S grant for the current year The installation of the duplicate pumping set for the water Supply works is a very necessary measure against the failure of the Single set in order to ensure a steady supply to the town.

SIR

SUBJECT Installation of duplicate engine to the water supply installation in Hiriyur Town
==o==

I have the honour to state that the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore intimated in his Office letter No Cir 23 31 dated 5th July 1941 (copy enclosed) that there is only one pumping unit in continuous operation in the water supply installation at Hiriyur and that from the point of view of continuous supply of water to the Town, it is always best to have a duplicate pumping unit so that in case of repairs or break down of the existing plants the water supply to the Town may not fail The probable cost of - installing the duplicate pumping unit was estimated at Rs 3000/-

2 The Municipal Council, Hiriyur have at its meeting dated 31st December 1941 resolved to pay half the cost of the scheme and has requested that Government may kindly sanction the other half as grant (copy enclosed)

3 The Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore who was requested to forward an estimate for the work, has now sent an estimate for Rs 1808/-

4 I request that orders of Government may kindly be obtained for according sanction to a grant of Rs 914/- being half the cost of the work, the other half being met from the closing balance of the Municipality as no provision has been made in the current year's budget The work is very necessary

5 The connected records are forwarded herewith for kind reference

I have the honour to be,
Sir,
Your most obedient servant,

Iry Asst. Commissioner,
Chitaldrug District
For Deputy Commissioner,
(Absent from Station)
